Return Policy

1. All returns must be authorized in advance by contacting a Customer Service Representative at 800.659.6609 and obtaining an RMA number.
2. Customer will get full credit if product was damaged in transit or a shipping error was made by Republic Pharmaceuticals. Customer agrees to notify Republic Pharmaceuticals of any discrepancies between ordered and delivered product within 72 hours of receipt.
3. Allow up to two weeks processing time for a credit to be issued on an authorized return. Please do not deduct any amounts from your invoice payments related to returned product before receiving a credit memo.

Non-Returnable Products:

1. If the removal of price stickers damages the product packaging, the product is ineligible for credit and will be destroyed.
2. Republic reserves the right to refuse bulk returns, returns from inactive accounts, accounts with overdue balances, or accounts in the process of being closed.
3. Short date or final sale products are non-returnable and non-refundable.
4. Refrigerated products and controlled substances are not eligible for returns.
5. If Republic Pharmaceuticals determines that the returned goods are counterfeit, adulterated, unsaleable, outdated, or otherwise out of compliance with the Returned Goods Policy.
6. Product whose labels have been altered, defaced or damaged.
